Dear Annville-Cleona Students, Staff, Families, and Community Members:

The Annville-Cleona School District is an educational institution that condemns discrimination in all its forms. As a School Board and Administrative Team, we are further committed to providing a safe and supportive school environment for all students, families, and staff. We believe all students regardless of race, gender, religion, etc. are capable of academic success and we are committed to supporting diversity and equal access to educational opportunity throughout the district.

Annville-Cleona School District pledges to continue to study current practices and policies that impact the culture of our School District, to provide diversity awareness for employees, and to listen to the voices of those who feel oppressed in any way. Board Policy #103 (Nondiscrimination/Discriminatory Harassment - School and Classroom Practices) outlines the process for reporting any forms of discrimination to District officials.

Although our school year has concluded, our support and care for our students has not. Please know you can reach out to teachers, counselors, and administration. We pledge to listen, to learn, and to grow during this time. We are committed to ensuring that discrimination has no place in our schools.

Sincerely,

Mrs. Cynthia Eby  
School Board President

Dr. Krista M. Antonis  
Superintendent
