RE: Moyer-Longacre Scholarship for 2019-2020

The scholarship amount for the 2019-2020 school year will be approximately \$5,000 for 5 students per district.

Listed below are a number of important facts that you should keep in mind concerning the Moyer-Longacre Scholarship:

1. The scholarship award is a one-year grant and is given to five graduating seniors who plan to attend college from each of the six public high schools in Lebanon County. Each high school selects its five recipients according to its own selection process. In keeping with the original intent of the program, candidates should be interested in a career in education or an educationally related field. The following candidate qualifications should also be considered in the selection process:
 - ❖ Attainment
 - ❖ Need
 - ❖ Personality and traits of character
2. Fulton Financial Advisors is the Trustee of this fund and takes care of dispersing the money. The money is dispersed directly to the college in which the recipient is enrolled after the recipient has completed his or her first term or semester. The recipient will receive a letter after graduation from the Trustee with instructions concerning the payment of the scholarship.
3. Selection of the recipients should be made on or before May 1, 2020.
4. Attached to this memorandum are copies of the standard application and awardee profile forms to be used in the selection process. After you have made your selections, please have the awardees complete the profile form. (Note: there is no need to send a photograph.)

Please forward to Philip Domencic, Superintendent of Record, on or before May 1, 2020, a letter containing the following information:

1. The name and address of your recipients as well as the name of the college he or she plans to attend.
2. The completed profile form, as noted above, for the recipients.

Please mail your complete packet of information to:

Philip Domencic
