**\*\*Parents are asked to refrain from using the driveways during arrival (8:15 - 9:00 AM) and dismissal (3:00 - 3:30 PM) times. District transportation vehicles use the driveways during these times. Due to kindergarten, the driveway at Cleona Elementary School is also in use by buses from 11:30 AM - 12:30 PM.**

**Students arriving at their building of attendance should plan their arrival between 8:45 - 8:57 AM. A warning bell rings at 8:45 at Cleona and Annville Elementary. The arrival bell rings at 9:00 AM.) Kindergarten students arriving at Cleona Elementary School for the PM session should arrive between 12:25 - 12:30 PM. (A warning bell rings at 12:25 and the arrival bell rings at 12:30 PM.)**

**If you are changing your child's normal routine (i.e. picking up your child rather than having him/her ride the bus), please contact the office in writing**

**\*\* Below is the procedure for dismissing students at the end of the day. This procedure will help ensure that all children are going with the correct adults at the end of the day.**

***Please read carefully.***

Students at the Walker Doors will be dismissed to the legal guardian or custodial parent only. Your child will be asked to identify their parent or guardian before being released and you will be asked to provide a driver's license to verify your identity.

If someone other than the custodial parent or legal guardian is going to pick your child up, you as the custodial parent or legal guardian, must write a **dated** note telling us who is picking up your child. In the office this information will be compiled and provided to the aide at the Walker Door as well as the classroom teacher. When this person picks up your child, they will be asked to show ID to confirm identity.

Please make every effort to send the above note in the morning. It is very hard to assure all students are going where they need to if your child does not bring in a note. If you find you forgot the note or there is an emergency and you will not be able to pick up your child, we will follow this procedure:

First, call the school office to inform us of the emergency. Students without a note will be sent to the office at the end of the day to wait. The person picking

up must come into the office and they will be asked to sign a note saying they are taking your child. They will also be asked to provide ID.

Thank you for your cooperation with these procedures. I am sure you understand that your child's safety is very important to all of us. If you have any questions or concerns, please don't hesitate to call the school at 867-7640.

\*Parents should utilize Walnut Street for any parking needs during arrival and dismissal times.

### **ANNVILLE ELEMENTARY SCHOOL -**

\*All students who are dropped off/picked up by their parents should enter/exit through the northeast doors (doors by the playground on Marshall Street).

Beginning the first day of school, August 25th 2014, the crossing guard that was historically located at the intersection of routes 422 and 934 will be relocated to the intersection of S. White Oak Street and Marshall Street on the north side of Annsville Elementary. **This area may no longer be utilized for student drop off or pick-up due to the congestion that is caused and potential safety hazard to our students as they cross this intersection.**

The front doors are reserved for bus students only! No students will be allowed to enter the parking lot area or be dropped off by a parent in front of the school, due to the danger of crossing in front of buses. Parents are to refrain from putting their child on their designated bus.

\*Students utilizing district transportation from Annsville Elementary in the AM to get to Cleona Elementary should arrive no earlier than 8:30 AM. Students not utilizing district transportation should go directly to their classrooms after 8:45 AM. (If arriving before 8:45 because of siblings, etc., students should report to the All-Purpose Room until dismissed to the classrooms.)

**\*If a student is late, they must report directly to the office and check in with the building secretary.**

\*At the end of the day, students must leave the school premises and check in at home before returning to use the playgrounds. This will insure that parents know where their children are.

The safety of our students is our utmost concern. These guidelines help us to design and maintain a safe student environment. We appreciate your cooperation.
