## Preseason Parent Information

### Mission Statement

A-C Athletic Department is committed to excellence both on and off the playing field. In partnership with athletes, coaches, and parents/guardians, it is our mission to create an environment that will complement and enrich the educational experience for all students.

### Important General Information:

1

#### Sports Medicine / Injuries

All injuries that occur while participating in athletics at A-C should first be reported to the coach and/or athletic trainer. A-C contracts our medical coverage with Penn State Health and provides a training room in the athletic wing of the secondary school.

2

#### Practice / Game Attendance

Students are expected to attend all practices and games. Only pre-approved school or pre-approved team absences are considered excused. Unexcused absences may result in consequences determined by the coach. In-season vacations are discouraged.

3

#### Transportation

A-C Athletic Department provide transportation to and from games. Students are expected to ride to and from games on the school provided transportation. If parents/guardians need to transport a child, a pre-approved transportation form must be completed.

### School District Equipment & Uniforms

Athletes may be issued sport specific equipment for their participation in a sport. It is the athlete's responsibility to take care of all equipment and uniforms that are issued. Equipment and/or uniforms that are lost or damaged will become the financial obligation of the athlete.

## Participation Requirements:

All students must have a completed sports physical along with all other waivers and forms completed and approved prior to being eligible to participate in a game or practice. The athletic trainer must mark the student as approved in Family ID prior to any participation on an athletic team. Students who join a team late are required to complete full practices prior to being eligible to playing in a game.

## Athletic Eligibility:

Academic eligibility is outlined in the student handbook. Grade reports are run everything Thursday at 2:30 pm and any student who is failing 2 or more classes is ineligible the following week from Sunday - Saturday. Ineligible students are permitted to attend practice, but if the ineligibility continues for a second or third week, additional consequences may be applied, including removal from the team.

## Athletic Admission Charges:

A-C charges admission to most home games in the stadium. Costs are \$5 - Adults, \$3 - Students, \$2 - Senior Citizens. Season passes are available to purchase in the HS office starting the first week in August. Pass costs are \$50 - Adults, \$25 - Students, \$175 - Family

## Student / Parent Concerns:

A student or parent with a concern is welcome to complete the open survey (link will be provided to all head coaches to send out at the beginning of the season) or complete a parent concern form, which is location on the athletic website at [www.acschools.org/Page/610](http://www.acschools.org/Page/610)

## Additional General Information:

4

### Athletic Code of Conduct

All students are required to follow all school policies and procedures as outlined in the student handbook. Student athletes are also expected to follow all team specific rules, which are provided by the head coach at the start of the season.

5

### Double Sport Expectations

A-C allows a student to participate in two sports in the same season. The proper form must be completed and a primary sport/activity must be identified, which determines availability for the secondary sport. The form should be picked up from the primary head coach.

6

### NCAA Eligibility Center

If you are planning or interested in playing sports at the collegiate level, please make sure you register on the NCAA Eligibility Center. If you have any questions, please contact Mr. Gross in the Guidance Office for more information.
