HOME/CYBER SCHOOL
STUDENT-ATHLETE REGISTRATION FORM**

Student-Athlete Information

Name: _____ Male _____ Female _____

Current Grade: _____ Age: _____

Athletic Season: _____ Sport: _____

Head Coach: _____

Requirements for Eligibility to Participate in Annville-Cleona Athletic Programs

1. Undergo a physical examination by an appropriately certified medical professional using the PIAA Athletic Physical Form. All forms are available online through Family ID. All required registration information must be completed through the Family ID site.
2. Read and sign the Head Coach's Team Rules.
3. Monitoring of weekly eligibility: A weekly email must be sent to the Athletic Director/Assistant Principal and the Athletic Secretary by Thursday afternoon at 2:30 pm. The email must provide the current grades for all classes that the student is currently enrolled in and must include the attendance for the week. Students must be in school to participate in athletics, so daily progress is needed for students to be eligible for games and/or practices. Having an unexcused day of school may result in being ruled ineligible to practice or participate in a game.
4. Payment for participation (for students enrolled in cyber/charter schools per school district policy). A direct contact (name and email address) for the cyber school must be provided to the Athletic Director / Assistant Principal.
